Your Meriden Username and Password

If you would like assistance with your username, password or any aspect of Meriden's online systems for parents, please call Meriden ICT on +61 2 9752 9444.

You need your Meriden username and password to access Meriden's online systems for parents. You can find your username on your Meriden termly invoice. Assuming you have never changed it, your password can be found on the termly invoice also.

Your username is your account number with an extra 0 at the beginning. For example, if your account number is 001234, your username is 0001234. Your password is your BPay reference number.

The diagram shows a sample BPay invoice from Meriden School. It includes the school's logo, contact information, and a BPay reference box. Two callout boxes provide instructions: an orange box points to the BPay reference number (XXXXX) and states 'Your password is your BPay Reference, found here'; a red box points to the account number (00XXXX) and states 'Your username is your Account Number with an extra 0 at the beginning. For example, if your Account Number is 001234, your username is 0001234'.
