Cocurricular Activities

Student Christian Groups

Junior and Senior groups (Shine and Salt) are held during lunchtimes and are available to all girls in Years 3 to 5. No registration is required for this activity; students simply need to turn up. Locations are regularly announced at the end of our weekly Chapel services. We play fun games, learn about God and Jesus from the Bible, pray and encourage one another to live God's way. Other activities may include learning Bible verses, singing, drama and craft. Each year we run an activity to raise money for others more in need than ourselves.

Year 6 Bible Study (Light) is available for any girl in Year 6. This activity is run at lunchtime. We enjoy strong friendships, play great games and discuss Bible passages together. We also pray and encourage one another. No registration is required for this activity and all girls in Year 6 are encouraged to attend.

Library Clubs

Library Clubs are designed and led by Year 6 Teams, with the assistance of staff.

Creativity Club - Years 3 and 4

Creativity Club is an after-school activity open to students in Years 3 and 4. Students are encouraged to develop their creative abilities and talents through a variety of activities including arts, crafts, games, drama and movement. Girls participate in enjoyable activities that develop cognitive skills, physical and fine motor skills, coordination, focus and social skills. Registration via Parent Lounge is required on a termly basis. A fee will be charged for this activity and places are limited.

Minecraft Club – Years 5 and 6

Minecraft Club is an after-school activity utilising an engaging platform that helps students build skills of coding, collaboration, communication, critical thinking and systems thinking. The open-learning environment gives students the freedom to experiment, encouraging creative self-expression and problem solving. Registration via Parent Lounge is required on a termly basis. A fee will be charged for this activity and places are limited.

Homework Club - Year 6

Year 6 students can complete Meriden homework in a quiet environment, fostering self-directed learning and independent study skills. Students are encouraged to bring their school laptops and they will have access to library books during this homework session. Attendance is flexible; however, registration via Parent Lounge is required at the beginning of the year.

Representative Cocurricular Activities

Debating

Selected students in Year 6 will be given an opportunity to compete in interschool Debating. Debating teaches the girls to collaborate, be responsible and take an active interest in current events. Trials will be held in Term 1, 2026.

RoboCup Team

Selected students in Years 5 and 6 will be given an opportunity to compete in a state-wide Robotics challenge. Applications from interested Year 5 and 6 students will be received in Term 1, 2026. The RoboCup program will run in Terms 1, 2 and 3.

Extracurricular Activities

Please Note: Dance, Gymnastics and Chess are provided by Elevate Performing Arts, Australian Academy of Gymnastics and Sydney Academy of Chess. The School's role is limited to introducing you and your daughter to Dance, Gymnastics and or Chess and, in some cases, providing premises or other facilities for this activity. As a result, we are not responsible for your daughter's instruction in this activity, or any damage or loss suffered while participating in this activity. Should you have any day to day or operational concerns with any of the providers, you would be best to raise it directly with the service provider.

Artistic Gymnastics

The Australian Academy of Gymnastics is the home of sporting champions and all lovers of gymnastics, catering to the diverse and eclectic local community of Sydney's inner south-west. The family-run club offers programs for all ages and abilities, boasts a fully accredited coaching staff and affords all members the opportunity to develop and realise their full potential in the well recognised and respected sport of gymnastics. Mr Antoine Rizzo heads the team of enthusiastic and friendly coaches at AAG and is a respected and valued member of the gymnastics community state-wide and nationally. The AAG runs competitive squads in both MG (Men's Gymnastics) and WG (Women's Gymnastics) levels 1 to 10. Gymnasts who show promise are selected from recreational classes to join the Development Squad or Class 3 (our competitive program).
